“ Hello,
Im Anilem, and Ana was my great aunt- she was my grandmas baby sister.

Most of my childhood and adult memories from Texas have my tias in them.

Ana was a very loving Tia. She always made sure to come by and visit with us when we came here. She would be the first to say I'll take you wherever you want to go, so there we would go, to get our nails done, to bingo, to the drive thru, the casino and in my old drinking days even to the bar for a drink.

I remember one time we went out drinking and dancing and by 2 am I was so tired and ready to go home. We got in the car and she told me to go straight, turn there and told me ok have a good night, love you and see you guys tomorrow. I thought she was going home and she had me drop her off at the after party.

I'm really saddened that she isn't physically here with us anymore, but it brings me comfort to know she's with her family in heaven, without pain, at the best after party with our ancestors.

I'm especially going to miss her contagious laugh, her big heart and her love for life. She was always the life of the party.

I'm really gonna miss you my Loving Tia, give our loved ones a hug and a kiss for me.
