“ I am sorry to hear of Anne's passing, and I did post the following to her facebook page: I knew Anne for about 15 or more years, we met via a friend playing online free poker on AOL, we ended up emailing, talking on the phone and even got to meet for three wonderful hours outside of Denver on a warm Fall day as she returned from Alaska to Texas. I am hoping that her sons read this and know how we had good times. The four photos in her photos, her, and her car, and me in a Halloween wig were taken that day. We totally enjoyed it and never stopped talking, it was as if we had been friends all our lives. I will miss her
