“ *The last time I had the pleasure of spending time with Arnie was at Laura and Charlie's wedding. We were all busy getting things prepared for the big day, and in Laura's kitchen, he hugged me, and with a tear in his eye, thanked me for being such a good friend to Laura for all these years. I felt so much love coming from him and he was so happy for her that he couldn't keep it to himself. I was so lucky to have known him and had such a positive influence. I will always remember and admire how Arnie looked at Sandy, totally and completely love struck. Rest In Peace. ❤️*
