“ *Barbara, my best friend knew how to enjoy life. She taught me how to enjoy new experiences like the Oktoberfest at the Whitehead Museum She had tried for years to get us to go. We did this past year and will always have those memories. As well as the memories of her scrap booking, (she made it look so easy). Those scrapbooks tell the stories of her Lou, Jessie, family and friends. They are a gift to behold, forever.*

*Barbara, my best friend knew how to enjoy life. She taught me how to enjoy new experiences, like the Oktoberfest at the Whitehead Museum. She had tried for years to get us to go. We did this past year and we have those memories. I will always have memories of how she loved to scrapbook. Those scrapbooks tell the stories of all her family and their special days, They tell the stories of Lou, Jessie and all their friends getting together. Barbara loved with passion, and that is how she LOVES Lou and Jessie and everyone she knew.*
