“ Condolences to Chavell's entire family. Last time I saw Chavell was after her knee surgery in December. Her beautiful smile lit up the hall when she smiled at me with her como estás mija, even though I was much older than her. She was just kind that way. May the Lord give them peace and strength at this difficult time

“ *We are in disbelief. Chavell was one in a million. She was a hard worker and would tell us how everything she did was for her children. She made awesome chili con carne and offered to make some for us. One morning she paid for our breakfast. When I turned to thank her, she smiled and said "God bless you." There are many memories we have of her and Mr. Gutierrez, who were definitely a team. To Mr. Gutierrez, we send you a hug as well as to her sons, daughter, grandchildren and of course, her parents and siblings. You have earned your wings and are now in God's heavenly kingdom.*

I'm in so much disbelief that you passed away Chavell. So many memories of you when all the juvenes at Templo Bethel would get together and attend thursday's worship service. I recall one time all the female youth had a slumber party at Alma's Ruiz home and you made us laugh with your funny and energetic personality. Though I didn't get to see you as much in the later years, but you were never forgotten. You are in Jesus arms and may your soul rest in peace. May God grant your daughter, son and husband and all the Veliz's family the peace and love at this difficult time.
