“ It is with sadness to hear about the lost of Rudy. I first meet Rudy when I first went to Central School next to the old Del Rio High School. We were from the class of 1967. After high school we drifted apart, We stayed friends until the very end. We would get together when ever we could. We were called the Chiguaguenos because that is where we were raised. My condolences to Sonia and his family. We are already missing you Rofe. Tony & Nilda Segura Edinburg Texas.
