

Daniel "Danny" Flores

April 16, 1968 - January 21, 2024

Daniel Flores passed away on January 21, 2024 at the age of 55 after complications from a stroke. He was born on April 16, 1968 in Del Rio.

Daniel, or as most people lovingly called him, Danny, was the first born son and apple of mother, Leticia Flores' eye. Son of the late Eliseo "Sonny" Flores Jr. Brothers to Annette are Eliseo "Papo" Flores III and wife Michelle Flores, and George Salas and wife Soila Salas . He is also survived by his nieces and nephews: Donny, Nicholas, Gabrielle Cristian Ruiz and Lorenzo, Cassandra, Alexa, Alyahani, and Araceli; Danny is also survived by his lifelong companion Laura Trevino;

His family extended far beyond into a great community of those who loved him. He was a brother to those in the ACTS Catholic religious organization and member of the San Felipe Lions Club. Danny had a great love of Tejano Music and created relationships and traveled far to help many bands with their concerts. But perhaps what he took most pride in was being coach to the Ponies youth football team for 21 years.

Though he didn't have children, he loved and cared for these children as if they were his own.

Through his love and humor Danny was able to create great bonding relations with people everywhere. He had a genuine interest in learning details of

people's lives and demonstrated concern for what they may be going through. Danny created a very large and far reaching family. He will truly be missed.

Visitation will be held on Friday from 5 to 9 p.m. in the Trinity Chapel of Faith. A Holy Rosary will be recited at 7 p.m.

“ *Just as his obituary states, Danny was a one of kind type of Coach. He impacted many lives including mine and my childrens. A selfless person willing to give you the shirt off his back whenever he saw a need. I will forever be grateful for all the guidance and direction he gave my youngest son. It really does take a village to raise a child. Coach you will be greatly missed. Rejoice with the angels in heaven until we meet again.*
Respectfully,

“ *Danny was one of the first cousins I met on a trip to Las Vegas with Tina. He tried to tell the Family I was seen at a strip-club. When I said I was working, he always said I was "Working". He always made me laugh and feel I was part of the Flores Clan.*
