

Diane M. Carrillo

September 17, 1946 - February 22, 2024

On 22 February 2024, Diane Marie Carrillo, 77, of Del Rio, TX passed away peacefully at home after fighting a long courageous battle against cancer with her beloved husband and daughters by her side. The clouds lifted and welcomed her soul into heaven.

Diane was strong willed, determined, tough, but had a huge heart. She was generous, loving, and cared for the wellbeing of her family and others. She always ensured everyone was taken care of in the best way she knew how. She met the love of her life 58 years ago, started a family and continued her caregiving as a mother and a nurse. She spent a long career in serving and helping others as a nurse, from the hospital, home health, hospice and last but not least, a school nurse. In her retirement years, she helped serve her community as a Del Rio Host Lion member and in her spare time knitted numerous baby blankets and beanies that she sent annually to the Glenmary Sisters, a Catholic organization that serves the forgotten, poor and neglected.

She will be remembered for all the heart she shared with her friends and family. As her time drew to a close, she carried herself with enormous strength and fought with every last breath until the good Lord took her home. She will be missed dearly.

Diane is survived by her husband, Amado (Manny) Carrillo, her 2 daughters,

Brenda and Leanne, sons-in-laws, Freddy and Miguel and 1 grandson, Ethan. In typical Diane fashion and her respect for privacy, visitation will remain private for family only.

A Mass of Christian burial will be held on Saturday, March 2, 2024 at 10 a.m. at Sacred Heart Catholic Church. Burial will follow at Sunset Cemetery.

The family requests donations in Lieu of floral tributes to be sent to either Texas Lions Camp located in Kerrville, Texas or Kate Marion Regional Cancer Medical Center in Uvalde, Texas. Forever Loved, Forever Missed and Forever in our Hearts!
