“ Tio Florencio, you took care of my mom and protected her always. Your little sister who loves you dearly. You will be greatly missed. You set the foundation of my awesome cousins. Always together, always there for each other, but my favorite is the fact that they are always smiling and finding the positive in everything. It hurts my heart knowing they are hurting right now, that Tia Lola is sad without her amor. You will be forever greatly missed but you are definitely in a better place. Thank you for all the memories you leave behind.
Love you, Rachel Soto Cárdenas
