“ Gary

You were the coolest of the cool and I use to always look up to you when we were kids. I was blessed to call you family and I enjoyed coming to Del Rio and staying at your house. You and my sister (Cha-Cha) Evelyn were very close and you would always make us laugh. When we were around you it was always fun and you were the life of the family. I am sorry that I did not get to see you in person before you left to be with our heavenly father. I hope you are talking to abuelo, abuelita and your Mom in heaven. I will miss you joking around and making us laugh. Until we see each other again.
