“ I Want to send my deepest condolences to Jacob's family I met Jacob through my brother in law David and in that short time he was always respectful to me and I called him the Kid well to me even though he was 18 he was a kid I'd give him rides every once in a while and he would say Delia is sureña lol crazy kid, if Jacob was ever acting out I would be one to get on to him so he would stay out of trouble and it was funny because everytime I would pull up to David's he would run inside and all i would see was his red jacket zip away so I would go look for him inside and tell him dont be running boi better not be getting in no trouble and he'd laugh and he would and say nobody meses with Delia shes scary lol but I do want to say im sorry this happened to u kid I'm still in disbelief, I hope he gets the justice he deserves!
