Every year, when I visited Isabel, we'd trek down to Del Rio to see Ralph. I loved the stories they told together and Ralph's droll delivery was always priceless. We searched for fossils, went to the winery, checked the water level at the dam, stocked up on cat food, went to the cemetery and laughed until we cried. Ralph Beauchamp was a true Renaissance man and a dear friend. I will miss him always.

Jim always had wild, funny stories about Del Rioans. He was a Del Rio mainstay and will be missed.

“ I always enjoyed visiting with Jim. Not only were his stories interesting, but never did he cast his fellow man in a bad light. I will miss him, and those stories. RIP Jim

“ He was always such a nice man...loved all of his sweet and thoughtful family. We lived next door to the family on East 2nd St. when Ralph, as we called him, was a young man and I was in grade school. Isabel, I hope you are well. It is sobering and rather lonely when you are the last one in your family left. Hugs...Pam Riggs Terrell
