“Cuz I will miss u. Even though we didn't spend to much time with each other I'm grateful I got to spend whatever time u were here in Del Rio .I only regret that I didn't have enough time to show u how much I loved u.But God knows I did what I had to do to help u. I will never forget ur funny gestures when u asked for Ice water on a hot day and how ur eyes lit up like a child with a new toy when I would knock on the window and wake u up saying "door dash is here with ur order". No more suffering no more pain.Fly high cuz and rest in peace. You will never be forgotten I love u! Till we meet again.
