“ Too often we take for granted that those we love, thinking they will always be there. Being so far from home, I should know better than anyone that I should do my best to be closer to those that I love. With that being said, I wish I could have made the effort to see everyone more often. I regret not being able to see my Tio Juan one last time. To hug him, kiss his cheek and tell him just how much I loved him. Rest with the angels, Tio...a piece of my heart goes with you ♡
