“ Dear Gerry, Monica & Family, Experiencing the loss of a loved one is so shattering. It's difficult to greet each day when the loss has left you empty and numb. May you focus of the wonderful memories you shared with your father. And not the void . May you feel comfort and gentle encouragement from your angels whispering that your father is safe and happy . Please continue to ask God to nourish you with Faith , Love and give you the strength and will to carry on. God Bless you , and we , your CBP Family/Del Rio, Texas have you in our Thoughts and Prayers.
