“ Still shocked at the loss of this great guy... It was only a couple of weeks ago that he was at our restaurant and we were laughing about...I don't remember what. But he was an easy person to get along with, that was apparent. Our condolences go out to his family and friends.

“ Prayers for the family of Luis. Many times we do not understand Gods plan for our loved ones but we must trust in his plan... I used to work with him at Goodwill, he was such an amazing person. he always spoke about how much his amazing sisters did so much for him, how y'all helped raise him. He loved y'all so much.I am so thankful God blessed us with knowing such an amazing person. I pray that God will bring some comfort and peace to your heart.

“ We had been friends since the sixth grade. We were in the sixth grade band together. As we grew older, we had different circle of friends, but I never forgot your kindness and solid friendship. The last conversation we had was on Facebook. I told you how I admired your bass playing. Rest in peace, brother!
