“ I had the pleasure of meeting Ms Nancy thru the Orthopedic Clinic at VVRMC about 6 years ago, since the moment we met she was always very nice and friendly. She would always tell me that she loved the color of my polo shirt which was an aqua color. Maybe cause of her blue eyes. I would always looked forward to seeing her come in to her appointments. I'm very happy to have known her, May she rest in peace and forever in my heart.

To Mr Gomez my sincere sympathy to you and your family
