“Pete and Erik were the "kids across the road" here in Dillsboro when I was also a kid. Pete was friends with my Uncle "Dubby" who was tragically killed at the age of 14. We continue, to this day, to think of that house across the road to be the "Sandborg" house. I have been blessed to have found Erik on Facebook and stay in touch with this wonderful family through social media. I know Pete's presence will be sorely missed. Thank you, kind sir, for your service to our country. Prayers for the family in the days to come. May peace be with you.
