

Rosa Cardenas

January 14, 2023

Rosa Cardenas was a loving mother, wife, grandmother, sister, aunt, and friend. She transcended into Heaven on January 14, 2023.

Rosa was born in Zapotlanejo, Jalisco, México to José Cruz Diaz and María del Refugio Hernández. She loved her time in Jalisco with her grandparents and often spoke of keeping bees with them. She enjoyed the traditional living with her family as a young child.

In the late 1950s, Rosa moved to Cd Acuña, Coah, Mexico along with her mother and siblings. At the age of thirteen, Rosa became a skilled seamstress. She made many garments, including daily wear, cocktail dresses and even wedding dresses. She was talented and excelled at this profession until recent years. In 1974, she married her loving husband, Fernando Cardenas, and moved to Texas soon after.

Rosa was a beautiful soul and was giving of herself to others. She always made sure everyone was fed when visiting her home. She was an excellent cook, specializing in traditional Mexican and TexMex dishes. Rosa was an active member of Our Lady of Guadalupe Church in Eldorado, TX and later at St. Joseph's Church in Del Rio, TX since 1997. She maintained a prayer list which included family, friends, and anyone in need of prayer. She listened to the gospel daily and looked forward to the group chat with her church

community. Rosa was a good listener; she was someone that you could call to talk to any time. She was supportive and loving. Rosa gave the best advice and life tips.

Rosa is survived by her loving husband of 48 years, Fernando, her daughters – Claudia and Georgina, son Alejandro and wife Karina; grandchildren Isis, Alejandro, Alfredo and Izabella; siblings Teresa, Jose Luis and Lydia; stepfather Pedro Hernandez and many nieces and nephews. Rosa was preceded in death by her parents, sister Maricruz, brother Jose and son Fernando.

Special thanks to all family and friends for the outpour of love and support during this time. Thank you to the Methodist Hospital Neuro Critical Care team in San Antonio for the medical care.
