“ Losing someone we love is nothing easy, but knowing that we have been able to be part of the life of that person, we can realize that we are blessed to have been able to share his life before he went to rest in eternal salvation. Words may not suffice to express the heartfelt sorrow that we feel for the passing of your loving husband, father, and grandfather but know that our heart is with all of you as you deal with this loss. May our prayers serve as comfort to all of you tia and primos,

With Deepest Sympathy and Love,

“ Adam, I am so sorry for your loss. I want to send out my sincerest heartfelt condolences to you, your mom, and your brothers and sisters.

There is no greater friend than a mans father. And he was one of the good ones, among the best dads we were lucky to have on our block when we were all kids.

Know that he earned his well deserved place in heaven. And today, he smiles down on all those he created, comforted in the fact that his life's work was well worth it.

May god strengthen you during this painful part of the journey.
