“ He worked with my mom, Ms Cruz Cardenas, at Laughlin a long time ago and she talked about his kind soul. This is why I wanted him to be a pall bearer. She talked about his faith in Jesus and although it's hard because he's physically not here he is rejoicing. My condolences to the family.

“ *Mr. Norwood,
Thanks for all you did for youth sports in Del Rio. I know you love putting on them stripes and whistle. From you officiating my youth football games, to eventually getting the chance to call peewee football games with you was awesome.*

You definitely had a great impact on a lot of us growing up(maybe except for that one unsportsmanlike penalty in peewee football). But hey, I'll except it! 😊

All love and prayers to your family at this time.
