“ I am honored and blessed to have known your mom. She worked with us at Lopez Health. She was truly an amazing human being, I will miss her dearly. Remembering her wonderful and gentle soul will forever remain in my heart. I know God has placed her in a special place where she will be watching us, the people who loved and cherished her! May she rest in peace.

Rita was a beautiful person in and out. She took great care of our mother Juanita and always had something special for us when we came in to town. We are all sadden of her passing. May God grant her family strength through this difficult time. Please know that Rita was loved by many. We will miss her delicate voice and beautiful smile.
