

Robert J. Dinoir, Vet. USAR

July 12, 1946 - June 22, 2023

Robert J. Dinoir (76) of San Antonio and Del Rio, Texas passed away peacefully on June 22, 2023; surrounded by family and loved ones.

Bob Dinoir was fondly known by a few nicknames to include Bob, The Boss, Buzzard Bob, Dad, Daddy, and his absolute favorite nickname Papa. Bob was born in July 1946, to Robert G. and Grace Dinoir in Hudson County, New Jersey. Bob's wonderful family, to include his older sister Barbara Panecki, helped shape him into the gifted and talented man he became. Bob followed his father's footsteps and entered into service with the United States Army when called upon during the Vietnam War. Bob earned his wings and became an aviator for the Army flying fixed wing aircraft and helicopters. Bob had been placed in command of a tank detachment as he left service in the Army to focus on family and his working career as a helicopter pilot with the United States Border Patrol in Del Rio, Texas until he retired.

Bob held many titles in his lifetime from pilot to businessman, but his favorite of all titles was of course; Dad and Papa. Bob loved nothing more than to show off photos of his grandchildren referring to this exchange as having a "Cute-Off" and of course he always won!

The words kind, generous and especially funny come to mind when describing Bob. He truly enjoyed everything about history, traveling to new places, building houses, spending time with his lifelong Army buddy George Bonsall, going to his favorite breakfast joint with his buddy Randy Vitolla and above all his family. Bob could frequently be found outside enjoying the trees, birds, and

other wildlife with his cup of coffee or green tea.

Left to cherish the memories are his daughter, Lisa Dinoir, his son Robert M. Dinoir, his daughter in-law Heather Dinoir and his grandchildren, whom he loved dearly, Robert Zachary and Coralee Grace Dinoir. Bob has a legacy that his family and dear friends wish to continue along with a good joke, or a bad joke, and a love for funny hats. We miss you.

“ *I remember the first time I met you in 2004. Robert brought me all the way to San Antonio when we evacuated from Florida for Hurricane Ivan. Since day one you have always treated me so wonderful and loved me like your daughter. I will always remember the kindness you have shown me and what a great papa you have been. I will also smile when I remember all the good laughs we had at my bad jokes 🤔🤔🤔🤔🤔🤔 I promise to take care of Robert even when he's being a toad because it's what you would want ;) Zackman will never ever forget you and Coralee will always know she wins in the cute off! We love and miss you very much.*
