“ Rory was there for me when I was just a young girl. He showed me kindness I had never seen before.

*I love you Rory. You will forever hold a place in my heart and memories. We had one meal with each other as adults, never did I think it would be our last. I'm so sorry Mrs. Lori. My heart and prayers go out tonight to you, Rory, and his brothers I know he loved so much.*

*You carried me through tall thorny grass to get to the other side,  
You showed me the constellations on a stary night.  
On a roof one story high.  
Show us your shine in the stary night.*
