“ *1st of all, my condolences to all family and loved ones. I just wanted to share a memory from probably mid eighties when we met Sabino. I probably knew him before because I grew up in Del Rio but he was about 3 years older than me. He invited us to his house to see his chopper. So after we left the Hideaway late at night, we went over to his house to see his chopper that he was so proud of. We went inside the house, which I thought was unusual and, all over his living room floor was his chopper, in pieces. So he had to tell his story of each piece. We were honored to be part of his dream 💕 What an honor to have known a great man. RIP Brother 🧡🖤❤️🙏*
