“ Sandra was a beautiful person inside and out . We were little trouble makers riding our bikes growing up in Crystal City.. To know Sandy meant you had someone invested in you for life. She reminded those she loved by her support in hard times , her infectious laughter in the good times and her devotion throughout. She had a vibrant and magnetic spirit and this was felt when you were around her . She was brave and she stood up for those she loved with a fearless tenacity if she felt it necessary .Her heart and her life was her family .. her children , parents , husband siblings and even her cousins. She was like a breath of fresh air , she has authentically her true self and the way she cared for her family is the very definition of unconditional love. Will miss you so much prima . my sister that i never had .. You will be greatly missed .

“ Prima, you will be missed dearly but your memory will always be in are hearts. I will miss your jokes, your smile, and the times we would chill together when you came to visit us in abilene or when we would go visit la familia in delrio. I remember the time when we looked like small oompa-loompa's and you sent me a picture of us when you and your mom were going through some old photos. I will miss you but I'm not saying goodbye this is I'll see you later. Love you prima!!
