“ *Wendy was one of the most wonderful persons in this world. She had a beautiful heart. No matter what troubles she was going through, she always had a big smile on her face, she was a strong lady, positive and always worked very hard to provide for her family, especially her children. Wendy may your soul rest in peace, I know you are now next to God in Heaven. I will never forget you! My condolences to her family Love, Elena :(*

“ *Wendy*  
*I am going to miss the times we laughed and talked and shared stories of our families. Life had become much different from when we were kids, but we had so much to be proud of. Our sons and grandchildren were our joy in life. We all miss you so much! If I could change things, I would walk the path to heaven and bring you back again. God calls us one by one and he promises if we follow his teachings, we will see each other again. You are in our hearts always. I will miss you “Sis.”*

“ Wendy, you are missed already. Loved you girl and enjoyed being in meeting with you. Thank you for your encouragement and friendship. I owed you lunch, but now it's too late for that so I'll continue to feed upon that spiritual bread shared from above. Thankful for your faithful love. My heart is broken, but know you are in such a better place. Prayers for those you left behind 💕
