“ *I am sending condolences to Jerry's family, all of them, his wife Rosa and his nieces and nephews. Especially for his brother Chavel or "Picon", how hard this must be burying three of your siblings in about three months. My heart goes out to you. I am so sorry for all of your losses.*

I am Jerry's first cousin. His mom and my mom were sisters. I remember when we would go visit our grandmother in Del Rio and Tia and Tio, I would see you all and the girls and I play together. Jerry was such a cute little boy. I can see his little face as I write this. Very light complected and big brown eyes, his hair was so light especially in the sun Running around all over the place. I will cherish those memories Primo.

Rest In Peace Primo!

Will always be in my Heart,

*Mary Jo De Leon-Antu
