“ *Yolanda had a heart of gold, her love for her family and friends was wonderful. I remember she lit up a room with her smile. She was always positive and happy and a great cook! I had the privilege to stay at her guest house years ago and I remember it fondly with lots of love and happy memories.

“ Condolences to Debra and the Reschman/Barrera families from Cookie and Raul Garcia in El Paso, Texas. Raul: " I knew Yolanda even before I met my Wife, In fact, Yolanda actually introduced me to Cookie! What a major impact Yolanda had in my life! The most vivid memory of Yolanda, which comes to mind is the following: While sitting in World History, in Mr. Mireles class, We would occasionally hear laughter outside the classroom in the hallway of SFHS. It was Yolanda and her gang of beautiful Senioritas from DRHS who had chosen to grace SF with a visit. I don't believe Yolanda ever really got into too much trouble with Mr. Ramon. The Barrera Family was too well know and respected in San Felipe!
